

## **The Hot Rod Hayride and the Detonators Car Club presents:**

### **The Detonators Dirt Drags**

**Saturday 29<sup>th</sup> & Sunday 30<sup>th</sup> July 2017**

The Detonators Dirt Drags will be held over two days during the 13<sup>th</sup> Hot Rod Hayride, and is the opportunity for you to drive on a traditional flag start drag track as it was back in the early days of hot rodding.

Following the overwhelming success of the traditional flag start Detonators Drags back at the 7<sup>th</sup> Hot Rod Hayride the move to Headcorn Aerodrome has allowed us the opportunity to reintroduce the 1/8<sup>th</sup> mile strip but to add that extra ingredient of authenticity – driving on the dirt.

#### **Guidelines**

Registration to run will take place on Saturday 29<sup>th</sup> from 11.00am in the paddock area of the drag strip, the first 50 vehicles to sign up and meet scrutineers approval will receive a petrol voucher that will entitle them to £20 at the end of the Detonators Drags on Sunday. . Scrutineering will take place on each day and all participants must sign a disclaimer each day before taking part. Driving down the track will take place from mid-day to 3.00pm each day. There is no fee to take part but you will need to be wearing your Hot Rod Hayride wrist band to take part. The Detonators Car Club decision regarding eligibility is final.

#### **Detonators Dirt Drag Rules**

If you are unsure if your vehicle will be eligible or in the spirit of the Hot Rod Hayride then send an email with photos and details to the Hotrod Hayride office for approval by the Detonators Car Club.
